

## General information

- Hildegard von Bingen Bread: Rediscovered Hildegard grain such as emmer, einkorn and spelled, which is particularly valued by the nun, form the basis of the Hildegard von Bingen biscuits and give them an original character. Selected ingredients such as pumpkin seed flour, buckwheat, herbs, spices and honey provide a unique, powerful taste. Under the motto "in the pure with oneself" the baked goods stand for the knowledge, body and soul something good to do.
- Roasted potatoes are generally not grounded.
- Mustard contains gluten.
- The schnitzel are breaded with wheat flour, but can also be breaded with gluten-free breadcrumbs.
- The potato dumplings and French fries are free without wheat and gluten
